## **Throwing Away the Grant Writing Box!**

Submitting the same grants to the same funders year after year? Expand your horizons! Find corporate, family, and community foundations to sustain and enhance your programs! Learn to approach grant writing from a reviewer's perspective. This course is designed for writers who want to enhance their research, development, and submission skills.

**Adraine Kreglo** is the **President of Serendipity Solutions**, a nonprofit development consulting firm, which has raised more than \$428,000,000 during the past few years to support the efforts of almost 400 organizations worldwide. With offices in Florida and the Caribbean, Adraine not only writes grants but trains staff and volunteers of nonprofits to write successful proposals for corporate, family, and community foundations.

Adraine is a grant reviewer for some of the country's largest foundations and shares grant writing tips from both a writer and reviewer's perspective. Visit [www.adrainekreglo.com](http://www.adrainekreglo.com) for more information.

**Thank you Adraine Kreglo and Family Resources Pinellas for making this summer workshop possible!**
